Description

This Volkswagen Sharan Highline 4Motion is a German-market vehicle presented in excellent, accident-free condition and comes from only two previous owners. The

reliable 2.0-litre TDI diesel engine producing 150 HP, combined with the 6-speed manual transmission and permanent 4Motion all-wheel drive system, delivers outstanding driving performance and confidence in all weather conditions.

The high-specification Highline trim includes Adaptive Cruise Control with Front Assist, Traffic Sign Recognition, Navigation System, electrically operated sliding doors on both sides, electric tailgate, rear-view camera, Bi-Xenon headlights, heated seats, Alcantara interior and the highly desirable 7-seat package.

Thanks to its swivelling towbar with a towing capacity of 2,400 kg, this Sharan is perfectly suited as a family vehicle, long-distance tourer or tow vehicle for caravans and trailers.
